Different ways of learning:

1. Hearing
2. Seeing
3. Doing

“Jesus came to preach the Word.

Jesus came to live out the Word.

Jesus came to be the Word.

Jesus was and continues to be the most significant revelation of God's Word.”

~ Jeremy Stevenson

Preaching can create followers, but disciples make disciples.

Jesus didn't only come to demonstrate the word for you. He came to invite you into his mission of being the WORD to the world around you.
