

COLOR IN FAITH

DIRECTIONS

1. **Connect:**

Today we are learning about the Bible story of when Peter Walks on Water. In this story, Peter had faith when he chose to climb out of the boat. We can have faith in Jesus too by believing in Him. When we have faith in Jesus, amazing things will happen! Now, let's color a picture using these markers. (Open cap of regular marker) Look at the tip of this marker, its orange! When we color this paper with it...its orange! Let's open the markers you have on the table (color wonder markers). What color is the tip of the marker. White!?! Hmmm... does that mean it won't be able to color this coloring page? It will!?! Do you guys have faith that this marker will be able to color this sun orange even though the tip isn't orange? Let's see! WOW! You chose to have faith in this marker even though the tip was white, and you were right!

2. **Create:**

- Have ONLY color wonder markers at tables.
- Pass out Crayola paper AFTER you finish reading the craft directions to the class.
-

3. **Conversation:**

While the kids are finishing up their craft, continue to repeat teaching objective

PICTURE GOES HERE

SUPPLIES NEEDED

- Regular Orange marker for story
- Color wonder markers
- Color wonder print out

TEACHING OBJECTIVE

**I can choose to
have faith.**
