

Children's Director
Franklin Christian Church
Job Description
June 2020

Purpose

The Children's Director will lead and develop the children's ministry, age birth - 5th grade, at Franklin Christian Church.

Responsible to Family

Description of Duties

- Champion a compelling vision for children's ministry at FCC
- Lead children's programming, with a special emphasis on the weekend worship experience
- Communicate God's Word to children in compelling and age-appropriate ways
- Recruit and equip teams of committed children's ministry volunteers who serve with passion, purpose and excellence
- Coach the children's ministry staff, developing reproducing kingdom leaders throughout the ministry
- Craft a variety of opportunities (including but not limited to service, missions and leadership development) that help kids become spiritual champions
- Develop partnerships with parents as they lead their children toward Christ
- Provide pastoral care for kids and their families, as needed
- Play an active role on the Family Ministry Team, working directly with the Early Childhood, Elementary, Middle School and High School Ministries
- Establish and implement security policies to ensure safety
- Establish other policies and guidelines for the children and family ministry department, as needed
- Provide leadership for special events as assigned by Executive Leadership Team
- Work with Executive Director of Operations and Executive Director of Administration to determine budget needs and expenditures
- Excel at other duties as assigned

Qualifications

- Committed Christ follower who is daily growing spiritually
- Passionate about kids knowing and following Jesus
- Must be committed to FCC's and Family Ministry's Vision
- Strong relational & people skills
- Team player

- Oral and written communication skills
- Able to work independently and as part of the Family Ministry team
- Organized, intentional, and creative
- Possesses experience working with children

Time Requirements

- 40+ hours per week, full-time salary employment
